Regional Wine Journey at the Palmer House Hilton

In April, I was able [to attend](#) one of the Regional Wine Journey's at the Palmer House Hilton's Lockwood Restaurant. I had a great time exploring the wines of Spain and Portugal with the restaurant's Wine Director Sasa Sinanagic. The restaurant is continuing the program through the summer and I highly recommend putting it on your must do list.

The last series explored wine regions around the world, but this time around you will get to also explore specific wines. The theme is California and Sinanagic will take you through everything from the history to the fermenting process. The classes will be held every other Tuesday from May 31st to September 20th. Each class is only \$25 and that includes tastings as well as snacks. The schedule is as follows:

May 31st-Gruner Veltliner
June 14th-Riesling
June 28th-Merlot
July 12th-Rose Wines
July 26th-Pinot Grigio and Pinot Gris
Aug 9th-Sonoma
Aug 23th-Napa
September 6th-Port
September 20th-Madeira

It is recommended that you make advance reservations [online](#) or by calling the Lockwood at (312) 917-3404.
