

GENERAL

info

Business Center

The fully staffed business center provides all the services you require, including computer work stations, packaging and shipping services, supplies, fax, and photocopying. For a complete list of services, ask your Hilton professional.

Health Club

The Health Club features three interconnected levels with Pre-Cor® cardiovascular machines and a resistance training circuit. Certified personal trainers are available to help make the most of your workout. In addition, group exercise programs offer a full menu of items including Boxing, Pilates, and Strength Training; there's a comfort level for both the beginner and the seasoned fitness enthusiast. The Health Club also offers an indoor pool and Jacuzzi.

Spa

Nothing melts stress away like a visit to our spa, a soothing antidote to today's non-stop, get it done yesterday business world. Creating a soothing transition from the hectic pace of the outside world, our full service spa ensures an entirely stress-free experience. Offering more than an isolated moment of relaxation, the spa integrates holistic and conventional healing methods. For a complete list of services, ask your Hilton professional.

ADA

The Palmer House Hilton prides itself on being proactive in recognizing the needs and challenges of its disabled guests and customers. The 77 meeting rooms and over 100,000 square feet of meeting and exhibit space all meet the guidelines of the American Disability Act and as such provide accessibility for all.
